PRODUCT DESCRIPTION

Designer: Joan Gaspar

Marset Djembe LED Pendant Light

Marset Djembe LED Pendant Light is a large suspension light by Joan Gaspar, inspired by the shape of a traditional African drum. The bell-shaped shade is made using a rotary moulding process that gives its outer surface a rough, stone-like texture. This contrasts with the smooth satin white interior, which reflects the light downwards into the room. Although the shade looks heavy, its polyethylene construction means it is much lighter than its appearance suggests.

The Djembé 65 pendant comes in three different heights, each giving the shade a slightly different appearance. The shallower 65.23 has a broader, flatter profile, while the 65.35 and 65.45 extend further downwards for a more pronounced bell shape. Djembé works well as a single pendant over a dining table or seating area, but the collection was also developed for larger installations where several lights can be suspended together. White, Grey, Red, and Sky Blue finishes allow the pendants to be arranged in matching colours or mixed across a space.

Each version is hardwired with a black electrical cable and canopy, and includes an integrated 2700K LED. Triac and DALI-2 dimming versions are available, along with additional lighting control options on request. The textured shade gives Djembé a distinctive appearance when switched off, while the white interior provides reflected light when illuminated. Most suited to dining rooms, kitchen islands, living rooms, reception areas, restaurants, hotels, offices, and commercial interiors where a large pendant can provide both functional lighting and a strong visual presence.

Please Note: The Marset Djembe LED Pendant Light is also available in smaller 42.21 and 42.28 sizes, as well as the larger 100.38 version. Additional 3000K, Casambi, and Tunable White options are also available on request. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source: **65.23:** Triac 26.09W / DALI 26.37W, 2700K, 1843 Lumens
65.35: Triac 26.09W / DALI 26.37W, 2700K, 1845 Lumens
65.45: Triac 26.09W / DALI 26.37W, 2700K, 1770 Lumens

IP Code: 20

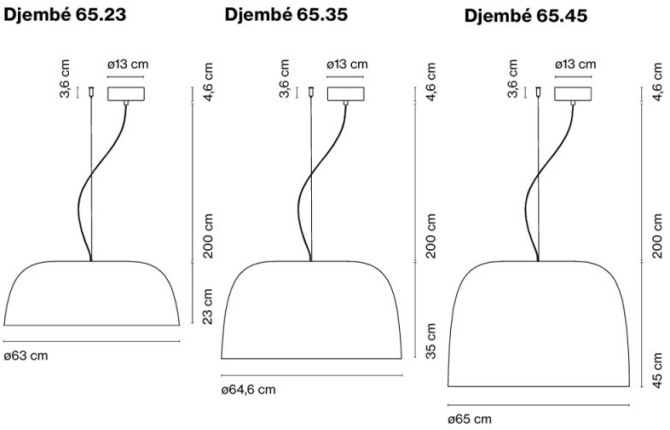

Dimming: **Triac:** Dimmable via Triac dimming.
DALI-2: Dimmable via Dali dimming systems. Please consult your electrician, additional wiring may be required on site.

Dimensions: **Djembé 65.23:**
Shade: Ø63cm
Shade Height: 23cm
Ceiling Canopy: Ø13cm
Ceiling Canopy Height: 4.6cm

Djembé 65.35:
Shade: Ø64.6cm
Shade Height: 35cm
Ceiling Canopy: Ø13cm
Ceiling Canopy Height: 4.6cm

Djembé 65.45:
Shade: Ø65cm
Shade Height: 45cm
Ceiling Canopy: Ø13cm
Ceiling Canopy Height: 4.6cm

Cable Length: 200cm
