Muuto Five Pouf XL

Contemporary and comfortable the Five Pouf XL is the largest version in the collection, ideal for bigger interiors. The pentagon shape of the Five Pouf XL and its linear seam lines contradict the curved edges of the Five Pouf and result in an artistic depth. It's a versatile item that can be combined and absorbed into every setting, both residentially or commercially.

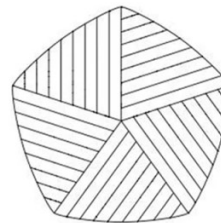

You can use your Five Pouf XL as a decorative item in any room, an addition to your living room setting or just extra seating for your guests. The Five Pouf is also available in a slightly [smaller](#) variation, for interiors that require a more slender solution.

The Five Pouf collection is also available in other colours and textile options, for information and pricing please [contact us](#).
