Santa & Cole Globo Cesta Pendant Light

The Globo Cesta pendant brings the beautiful diffuser from the Cesta table lamp to a stunning and minimalist hanging lamp. The designer, Miguel Milá, was first inspired to make the Cesta design when he saw an abandoned opal glass globe in front of a glass factory. After saving it, he used it as the basis of the Cesta collection which is defined by a rounded opal lampshade.

The Globo Cesta pendant lamp conceals the light bulb for a diffused glow and also has an opening for a downward illumination. The pendant light can be used in a wide variety of settings, whether used for ambience or for hanging over a table. You can also pair with the smaller Globo Cestita pendant for a consistent yet varied look in your space.
