PRODUCT DESCRIPTION

Original BTC Paxo Pendant Light

The Paxo pendant light stays true to Original BTC's industrial design aesthetic. Remaining contemporary with a British industrial factory inspiration, the Paxo pendant has a wide shade opening to provide a large spread of light, maximised by the white interior of the pendant. The Paxo pendant is popularly used in kitchens over dining tables and breakfast bars and looks great used singularly or in linear form.

The Original BTC Paxo pendant comes with a matching aluminium ceiling canopy and matching braided cable and is available in five colour ways; light blue, light green, white, cream, black and aluminium.
