The Original BTC BB1 pendant light is ideal for complimenting minimalist or industrial interiors with its smart appearance and classic design. Providing a good, general light emission due to its wide opening and white interior, the BB1 pendant light is a fantastic addition to both domestic and commercial interiors with a matching style.

The BB1 pendant light can work great as a stand alone suspension due to its fantastic light coverage but also has dramatic effect when used in conjunction with other BB1 pendants in a linear form over a breakfast bar or dining table.
