### PRODUCT DESCRIPTION

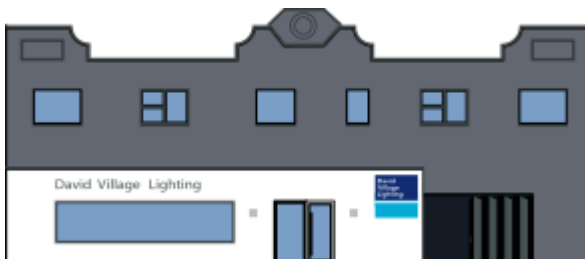

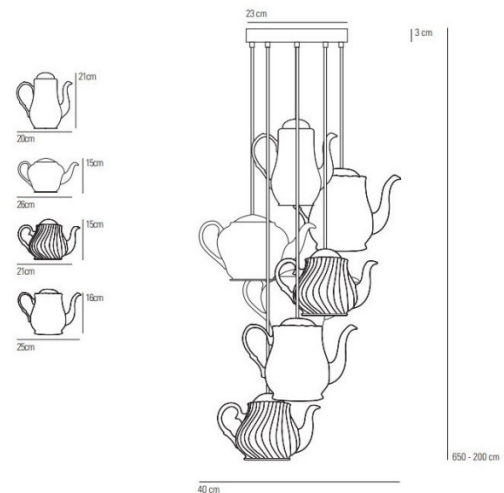

#### Original BTC Teapot Pendant Light Grouping of Seven

The Original BTC Teapot pendant light grouping of seven is a whimsical, unique multiple drop suspension light. The manufacturing process used by Original BTC remains traditional and is carried out by skilled craftspeople that handcraft the natural bone china to ensure a high quality product is produced.

Inspired by 1930's tableware once produced in Original BTC's Stoke-on-Trent factory, this eccentric piece of statement lighting is perfect for kitchens and dining rooms with a diffused and soft light output.
