PRODUCT DESCRIPTION

Les Acrobates De Gras No. 323 Round Pendant Light by DCW éditions

A part of the [DCW éditions Les Acrobates de Gras collection](#), the Les Acrobates De Gras No. 323 round pendant is suspended from two wires that can be positioned where you like as only one cable has to be connected to the mains. The range is inspired by both trapeze artists and the renowned [Lampe Gras series](#) which was designed by Bernard-Albin Gras in the 1920s.

The pendant lamp has a rounded lampshade which provides a downward directed glow which is best used over tables and surface, but can also be used for main lighting if bought in multiple. The pendant light is available in 2 sizes, large and extra large, and in 7 finishes, copper, black, yellow, raw copper, blue, black/copper interior and red.
