Vibia Tempo 5770 Pendant

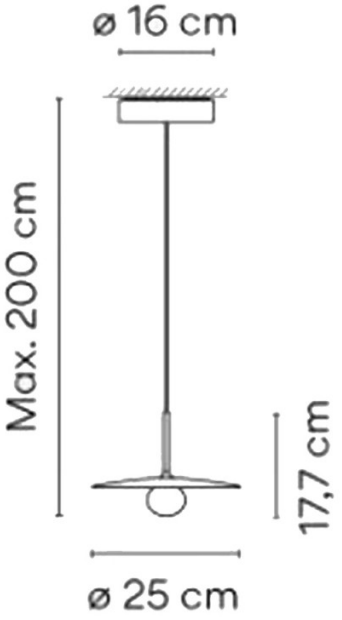

The Vibia Tempo 5770 Pendant is a contemporary lighting solution designed by Lievore, Altherr, Molina. It takes inspiration from the effect of varying degrees of luminance and the interplay of opacity, translucence and transparency. It offers a unique silhouette and an interplay of opacity and transparency.

Featuring LED technology, the Vibia Tempo 5770 Pendant generates a warm glow and can be easily dimmed to personalise the ambience. The Tempo 5770 provides functional but ambient downlighting and features a larger circular disc reflector atop the diffuser. This disk assists in reflecting the illumination downwards and results in an even and glare-free dispersion of light. This disk can be supplied in four varying colours (Graphite, Terra Red, Cream or Green) meaning it can adapt to a range of interiors and suit multiple personal styles.

Please Note: The Vibia Tempo 5700 Pendant is available with a surface canopy and a 1-10V/Push To Make dimming system as standard. Other variations are available upon request. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	4W, 2700K, 415 Lumens
IP Code:	20
Dimming:	Dimmable via 1-10V and PUSH to make dimming systems.
Dimensions:	Shade: Ø25cm Shade Height: 17.7cm Maximum Drop: 200cm Ceiling Canopy: Ø16cm
