PRODUCT DESCRIPTION

Designer: Ramos & Bassols

Centric 5710 Ceiling and Wall Light by Vibia

The Centric 5710 wall and ceiling lamp was designed by Ramos & Bassols who reinterpret a circular window showcasing a bright and welcoming light. The fixture is made from plastic and features two concentric circles, creating an alluring yet unimposing aesthetic. The integrated LED light source is also concealed by a diffuser, producing an anti-glare glow that is effective and warm.

The Centric 5710 wall/ceiling light is available in a cream or white colour finish, being able to easily slip into any design scheme.

The Centric 5710 can be installed on both walls and ceilings, being best used in multiple to create an efficient illumination. Use in hallways, corridors, lounges, dining areas and many more for a stylish lighting solution.
