PRODUCT DESCRIPTION

Designer: Per Sundstedt

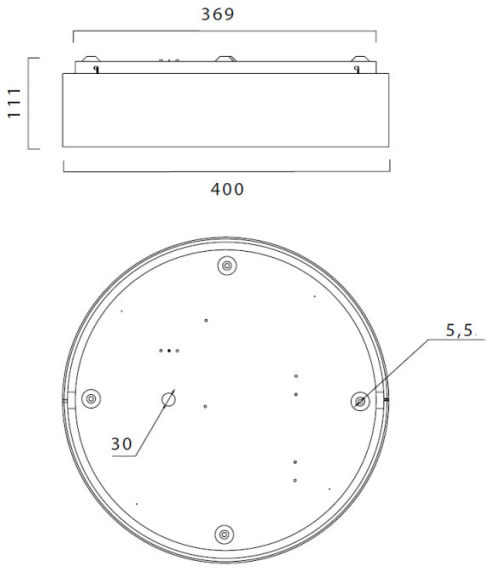

Zero Allright LED Ceiling Light

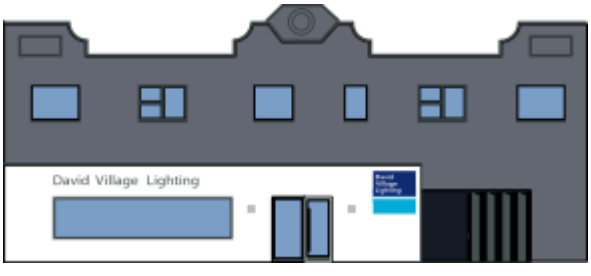

The Zero Allright LED Ceiling Light is a modern and practical lighting fixture designed by Per Sundstedt. Crafted from anodized aluminium with a prismatic acrylic diffuser, it offers a sleek aesthetic while ensuring an even, glare-free light output. This ceiling-mounted luminaire is an ideal solution for spaces requiring uniform and efficient lighting, from offices and retail spaces to modern residential interiors.

Equipped with an energy-efficient LED module, the Allright Ceiling Light outputs 1400 Lumens, producing warm 3000K light with a CRI of 80. Its robust yet elegant construction ensures longevity, while its simple mounting system allows for quick and hassle-free installation. Dimmable versions are available for enhanced lighting control, making this fixture a versatile choice for commercial and residential applications.
