PRODUCT DESCRIPTION

Designer: Broberg & Ridderstråle

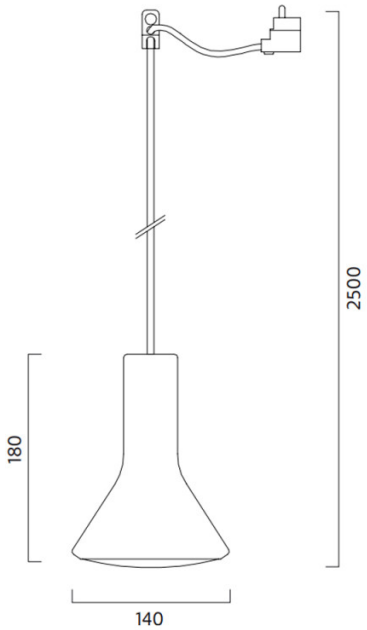

Zero Par Pendant Light

The Zero Par Pendant Light by Broberg & Ridderstråle is a quietly expressive fixture designed to celebrate the aesthetic and functional qualities of the classic PAR 38 bulb. With its painted aluminium body and matching textile cable, the Par pendant combines refined simplicity with tactile warmth. Its shape subtly references the pressed glass of its light source, offering a soft yet focused beam with minimal glare.

Supplied with a dimmable 12.5W LED bulb, the pendant casts a warm 2700K glow, ideal for creating ambience in both residential and commercial settings. Available in a variety of colours, from muted neutrals to soft apricot or bold orange, the Zero Par adapts effortlessly to different interiors while providing efficient and comfortable lighting.
