### PRODUCT DESCRIPTION

**Designer:** Monica Förster

### Zero Umbrella LED Pendant

The Umbrella Pendant by Monica Förster is a refined and versatile lighting piece, suspended delicately by wire to bring a sense of lightness to any space. Made from matt opal acrylic with a painted outer surface in white, black, or green, its soft, domed form casts a warm and even light, ideal for creating a relaxed, welcoming atmosphere.

Fitted with a integrated LED, the Umbrella Pendant delivers 3000K illumination. Its gentle silhouette and sculptural quality make it particularly suited to dining areas, lounges, or commercial interiors seeking a balance between design presence and quiet sophistication.

**Please note, dimmable and 4000K options are available for this product. [Contact us](#) for pricing and information.**
