PRODUCT DESCRIPTION

Designer: Lorenzo Truant

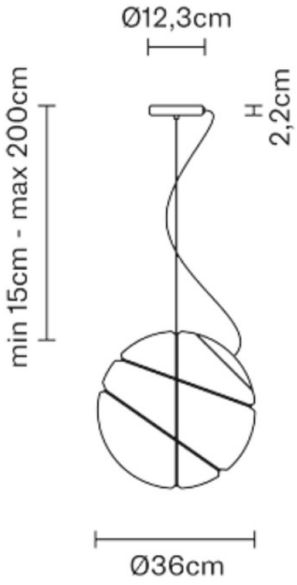

Armilla Pendant Light by Fabbian

Designed by Lorenzo Truant, the Fabbian Armilla Pendant is inspired by the very first Renaissance depictions of the motions of stars and planets, with beautiful metal rings that wrap perfectly around a white glass diffuser. The lampshade is made by blowing the glass on a round mould, with the metal rings being fixed onto the melted glass at the end of the manufacturing process. The result is a gorgeous and mesmerising diffuser that catches the eye and looks stunning in any setting.

The Armilla Pendant is available in three colours, white/gold, white/burnished metal and white/chrome with each finish having a colour-matched ceiling canopy. Armilla expertly conceals the light source, producing a seamless diffused glow which is welcoming and warm, perfect for use in homes and professional interiors. This pendant by Fabbian is a beautiful addition to kitchens, dining spaces and entrance halls. It can be displayed individually or in clusters for larger environments.

PRODUCT SPECIFICATION

Light Source:	1 x Max 150W E27 (excluded)
IP Code:	40
Dimming:	Dimmable via Triac dimming.
Dimensions:	Ø36cm Maximum Drop Height: 200CM Ceiling Canopy: Ø12.3cm Ceiling Canopy Height: 2.2cm
