Michael Anastassiades Bob Pendant

The Michael Anastassiades Bob Pendant is a refined lighting solution, suspended by a customisable rod to fit any ceiling height. Its inverted teardrop shape, inspired by the plumb bob, highlights the timeless elegance of geometry and simplicity. Featuring a mouth-blown opaline glass diffuser and polished brass or plated finishes, this pendant provides a soft, ambient glow that enhances dining areas, kitchens, or living rooms.

The unlacquered brass finish develops a patina over time, adding character and warmth to the design. Custom rod lengths are available, making this pendant as functional as it is beautiful.

This product is also available in **Plated Copper** and **Custom Patina Finishes** by request only, please [contact us](#) to discuss pricing and availability.
