PRODUCT DESCRIPTION

Designer: Michael Anastassiades

Michael Anastassiades Architectural Pendant

The Michael Anastassiades Architectural Pendant is a striking testament to minimalist design. Featuring a mouth-blown opaline glass diffuser suspended from a polished brass or nickel rod, this pendant offers a harmonious balance of form and function. Its geometric simplicity allows it to blend seamlessly into modern interiors, while the warm glow of the opaline glass creates a welcoming ambiance.

Available in various sizes, from subtle to statement-making, this pendant adapts to a range of applications, from dining areas to open spaces. The pendant's customisable rod length ensures a tailored fit for any ceiling height, while its luxurious finishes add a touch of understated elegance to the space.

This product is also available in Plated Copper and Custom Patina Finishes by request only, please contact us to discuss pricing and availability.

Please note, when ordering this product please contact us to specify your preferred drop.
