Gaku LED Wired Table/Floor Lamp by Flos

Designed by Nendo, the Gaku Wire table or floor lamp is a lighting unit composed of lamp body/structure in solid ash with a white or black stain finish. The Gaku wired LED lamp looks fantastic in a contemporary interior with its minimal design and is useful storage for small personal items. The wired Gaku also features a push-button dimmer on the cable with two levels of brightness to enable the user to match or enhance the ambience of a room.

The Gaku range also includes a rechargeable [wireless version](#).

The LED Gaku by Flos has a total of 5 accessories to choose from including a key bowl, mirror, vase, bookend and bowl – all available in black and white. [Click here](#) to shop.
