Moooi Pet Light Purr Table Lamp

Purr, the rabbit, is part of Marcel Wanders's [Pet Collection](#) of unexpected companions. The collection, which also includes an owl, a penguin, and a tiger, is a series of adorable table lamps that illuminate your home while adding a touch of personality to the space. The Purr Table Lamp is made from blown glass with ceramic golden details. The gold elements contrast effectively against the frosted glass, while giving the lamp its unique character.

The Purr Table Lamp provides soft, glare-free lighting, perfect for creating a welcoming ambience. An in-line dimmer switch allows brightness to be adjusted to suit any environment. Place the Purr Lamp on a bedside table, bookshelf, or desk to provide gentle and comforting lighting. Display with the other animals from the collection for an unconventional lighting display that is guaranteed to put a smile on your face.
