Foscarini Filo Floor Lamp

Designed by Andrea Anastasio who was inspired by the hidden components of lighting solutions, the Foscarini Filo Floor Lamp combines colourful cables, a diffused light source and decorative shapes. The result is an artistic and beautiful floor lamp that is wonderful for many spaces, this floor lamp can be displayed individually or amongst other lights from the Foscarini Filo collection.

The abstract Foscarini Filo Floor Lamp is made with a china lampshade and coloured blown-glass spheres, producing a truly unique aesthetic. The shade emits a partially diffused glow and a direct downward light, making it perfect for ambience and decoration in the room. A playful addition to residential homes and commercial spaces, this award-winning floor light adds a unique touch to interiors whilst providing peaceful illumination.
