PRODUCT DESCRIPTION

Designer: Andrea Anastasio

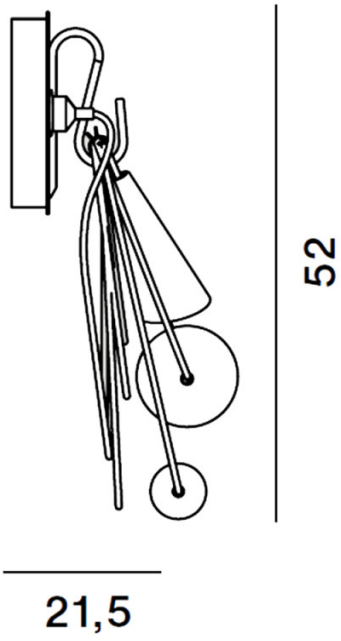

Foscarini Filo Wall Light

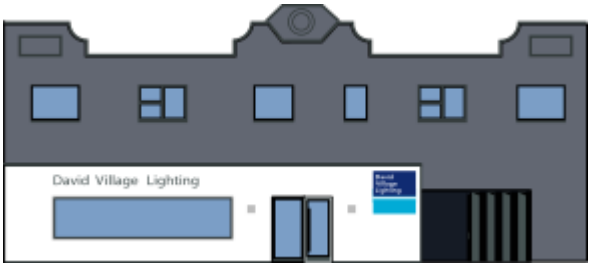

The Filo Wall Light is part of the Foscarini Filo collection, an award-winning range from designer Andrea Anastasio. Resembling the delicate silhouette of a necklace, Anastasio found her inspiration from the hidden components of existing lighting solutions, this wall light proudly displays all of the elements of light in a stylish and chic way. The shade is crafted from porcelain, with stunning blown-glass shapes that hang down to create a gorgeous aesthetic.

Pushing the envelope in modern design, the Filo wall light produces a soft, downward-directed light that can be used in bedrooms, lounges, hallways and more as an ambient and decorative light. The wall lamp will truly amaze and with a range of distinct colour palettes to choose from, the possibilities are endless.
