Santa & Cole BlancoWhite Golden Gate LED Suspension

PRODUCT DESCRIPTION

Designer: Antoni Arola

BlancoWhite Golden Gate by Santa & Cole

Inspired by the Californian bridge, Antoni Arola designed the BlancoWhite Golden Gate suspension light for Santa & Cole. Arola originally created the BlancoWhite collection with the C1 and R3 table lamps in 2011, winning the Red Dot Design award the following year. His collection consists of table and suspension lights with a clean, minimalist design emitting a homogeneous light beam. Just like the bridge, covering a long distance, the BlancoWhite Golden Gate suspension measures almost 1.6m long, and brings a comforting and evenly distributed light into the room. The suspension has a a rectangular counterweight to adjust the light's height.

The BlancoWhite Golden Gate suspension is available in a graphite matte finish. Dimmable via 10-10V dimming systems, you can tailor the brightness of the BlancoWhite Golden Gate depending on use and occasion. A light suitable for both commercial and residential projects, the large rectangular light can be installed above large dinning areas or tables.

Take a look through the BlancoWhite collection, which includes the original table lamps and two other suspension light, a disk-shaped in two sizes and a rectangular smaller suspension.

PRODUCT SPECIFICATION

Light Source:	66W, 3000K, 2376lumens
IP Code:	20
Dimming:	Dimmable via 1-10V dimming systems. Please consult your electrician, additional wiring may be required on site.
Dimensions:	158 cm length 13 cm width 6.7 cm height 35 - 315 cm drop height 60 x 8 cm ceiling canopy
