PRODUCT DESCRIPTION

Designer: Tom Chung

Audo Copenhagen Cast Sconce Wall Lamp

Continuing the Cast pendant's graphic expression, the Cast Sconce Wall Lamp also incorporates new components to establish a distinct identity. The wall light brings a glare-free and soft glow to any interior. The lampshade is made from beautiful cast aluminium, supported by an elegant brass arm. The textured finish of the shade and the smooth finish of the arm create a stunning contrast that is both alluring and subtle.

The Cast Sconce wall light features a PMMA diffuser, which conceals the integrated LED light source for an evenly spread illumination. This efficiency makes the wall light perfect for use in hallways, lounges, corridors, foyers, and many more to create a cosy ambience. The minimalist nature of the design also makes it wonderful for use in multiple ways. Available in black with brass details.

Please Note: The Cast Sconce Light is supplied with a cable and plug, so it needs to be installed near a socket.
