Menu Cast Sconce Wall Lamp

Continuing the pendants' graphic expression, the Cast Sconce Wall Lamp also incorporates new components to establish a distinct identity. So while it beautifully complements the Cast Pendants, the wall lamp also hangs comfortably on its own, bringing soft, glare-free light to living spaces, hotel rooms, or passage areas. The thoughtfully designed brushed brass vertical bar and mounting plate create an engaging form that naturally assimilates into the décor of any space. Like the Cast Pendants, the Cast Sconce Wall Lamp is designed for both commercial and residential use.

The Cast Sconce light is supplied with a 2m long cable, and you may choose to **hard-wire** the lamp or **plug in** to the wall.

Designer: Tom Chung

IP Code: 20

Dimming: In line on/off switch included on cable. The lamp can be fitted with a dimmer by a certified electrician.

Dimensions:

Ø 12 cm
