PRODUCT DESCRIPTION

Pleats OneFiveFour Pendant by Le Klint

Produced from a collaboration between Andreas Hansen and the Le Klint team, the OneFiveFour pendant is hand-crafted from top quality paper, staying true to the design aesthetic that has been at the centre of Le Klint for over 75 years.

This pendant has intriguing oversized pleats and angular lines, making a bold statement in the room. With a downward directed light, this pendant works particularly well in living areas and dining rooms to create a nice ambience and to add a splash of elegance. Either have a singular light fixture or create a cluster from different sizes to have a spectacular feature.
