Kartell Bellissima Pendant

The Kartell Bellissima Pendant was designed by Ferruccio Laviani and boasts a simple shape and neutral colour palette. Bellissima offers a new interpretation of the Kartell style, able to fit flexibly and stylishly into different spaces. The curved silhouette ensures the inner light source is softly projected downwards onto the area below, making it a perfect luminaire for dining areas, living rooms and even kitchens.

The Bellissima Pendant is a composition in two colours: its outer section is available in a variety of finishes while its interior is white, for improved luminosity. Choose between matt and glossy colours, as well as a sleek wood effect. The Kartell Bellissima is also supplied with a ceiling rose to match the colour of the shade chosen, ensuring a cohesive aesthetic.
