PRODUCT DESCRIPTION

Designer: Miguel Milá

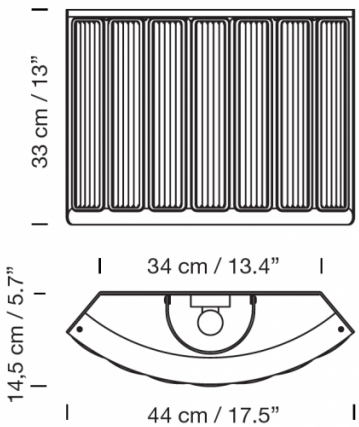

Santa & Cole Estadio Wall Light

Designed by Miguel Mila in 2015; the Santa & Cole Estadio Wall Light consists of a metal structure with textured glass block diffusers, the glass disperses the light and results in a playful shadow effect. The curved frame ensures the light is emitted outwards but also allows the light to escape both upwards and downwards at the back of the structure - resulting in an even illumination dispersion.

The Estadio Wall was the latest addition to the Estadio collection and is a beautiful addition to hallways or smaller spaces in your home; although this lamp was designed for commercial spaces. Estadio Wall can help to brighten up your office, café, shop or even school.

PRODUCT SPECIFICATION

Light Source:	1 x Max 11W E27 LED (Included)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Height: 33cm Length: 44cm Depth: 14.5cm
