### Vitra Akari 1A Table Lamp

The Vitra Akari 1A Lamp is a compact design and a popular piece in the **Light Sculptures Collection** by Isamu Noguchi. Designed in 1951, the 1A Table Lamp draws inspiration from the sun and was conceived when Noguchi paid a visit to Gifu, a town known for its manufacture of paper lanterns. This visit inspired the materials of the Akari 1A Table Lamp, which is handcrafted from traditional washi paper, with a slender bamboo and steel wire frame.

This elegant table lamp adds a warm nd inviting ambience to your space, effortlessly adapting to almost any interior. The inner light source is effortlessly diffused, resulting in a glare-free glow that is often utilised in bedrooms, living rooms ad dining areas. Although the 1A Table Lamp utilises a minimalistic colour palette, it is also available in a more vibrant design, as the **1AY Lamp**.
