Vitra Akari 3A Lamp

The Akari 3A Lamp was designed by Isamu Noguchi in 1951 as part of the **Akari Light Sculptures range**. Each 3A Lamp is made from traditional washi paper and handcrafted in the Ozeki workshop in Gifu, and finished with a sun and moon logo, guaranteeing authenticity to the owner and resembling their Japanese heritage.

The Vitra Akari 3A Lamp can adapt to a variety of interiors and personal styles, offering a sleek mid-century feel and a calming illumination thanks to the diffused inner light source. A stunning addition to dining areas, bedrooms and living rooms. The Akari 3A is much like the **Akari 3AD**, with similar dimensions and form, but differentiated by its simple white shade, with the 3AD providing a more striking colour palette.
