PRODUCT DESCRIPTION

Designer: Isamu Noguchi

Vitra Akari 55A Pendant Light

Part of the Akari Light Sculptures, the 55A Pendant Light was designed by Isamu Noguchi in 1951, and made with white washi paper and steel wire structure. This handcrafted, Japanese inspired light has a stunning mid-century feel and a smooth silhouette. The 55A is spherical pendant light with soft textured details, it utilises a paper shade, designed to filter out the light source resulting in a soft glow illuminating the room. Each 55A is handcrafted in the Ozeki workshop in Gifu and finished with a sun and moon logo, guaranteeing authenticity to the owner and resembling their Japanese heritage.

The 55A Pendant Light is a stunning piece that optimises traditional washi paper and a steel base to create a perfect equilibrium between practicality and ambience. The Japanese word "Akari" is translated to "light", a link to the goal of the entire collection, as the whole collection can be characterised by every light's weightless luminosity.

Please Note: this product is provided with a non-dimmable lamp with a wattage of 4W, but can take a lamp with a maximum of 12W.

PRODUCT SPECIFICATION

Light Source:	1 x 4W E27 LED Non-Dimmable (Included)
IP Code:	20
Dimming:	Non-dimmable light source included. Product is dimmable via mains phase with alternative light source.
Dimensions:	Ø55cm Cable Length: 220cm

Ø550 Ø21 1/2"
