PRODUCT DESCRIPTION

Designer: Michael Anastassiades

Michael Anastassiades Tube LED Chandelier

The Michael Anastassiades Tube LED Chandelier exemplifies the designer's philosophy of creating sculptural yet functional lighting. Originally conceived as a minimalist exercise, this chandelier suspends three opaline LED tubes in a striking vertical arrangement, each emitting a soft, ambient glow. Supported by discreet satin brass rods, the design appears weightless, embodying Anastassiades' signature elegance.

Ideal as a centrepiece in dining rooms, living spaces, or commercial environments, the Tube Chandelier combines artistic form with exceptional craftsmanship. Its customisable finishes and rod lengths offer tailored options to suit a variety of spaces and design preferences.

This product is also available in Plated Nickel, Plated Copper and Custom Patina Finishes by request only, please [contact us](#) to discuss pricing and availability.

Please note, when ordering this product please [contact us](#) to specify your preferred drop.
