PRODUCT DESCRIPTION

Designer: Carlotta de Bevilacqua

Artemide Mimesi App Compatible Floor Lamp

Designed by award-winning designer Carlotta de Bevilacqua for Artemide, the Mimesi Floor Lamp is an innovative luminaire that plays with optics. A slim frame crafted from recycled aluminium holds an engraved PED polyester diffuser, which refracts light for a captivating effect. Two LED light sources can be operated independently via dual switching on the cord. When switched on, the Mimesi Floor Lamp creates a warm, glare-free light, while the engraved casing creates an enchanting play of light, giving the lamp an ornamental presence.

The transparent appearance of the Mimesi Floor Lamp allows it to blend silently with its surroundings, while the diffused light fills the room with a comfortable ambience. The light output can be controlled via the **Artemide App** – an intuitive and user-friendly app that can be used to control individual or groups of lights throughout the home. Based on the principles of reduction of energy and materials, the Mimesi Floor Lamp is a striking lamp that expertly blends beautiful design with innovative functionality.

PRODUCT SPECIFICATION

Light Source:	**Indirect**: 42W, 3000K, 3733 Lumens **Diffused**: 3W, 6000K, 100 Lumens
