PRODUCT DESCRIPTION

Designer: BIG

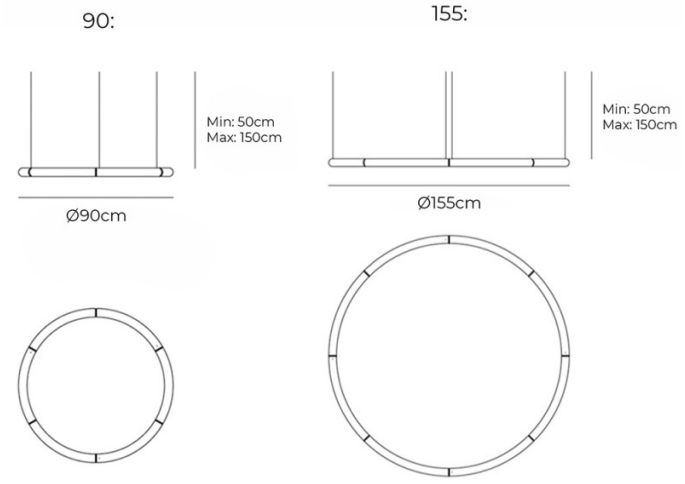

Artemide Alphabet of Light Circular Suspension

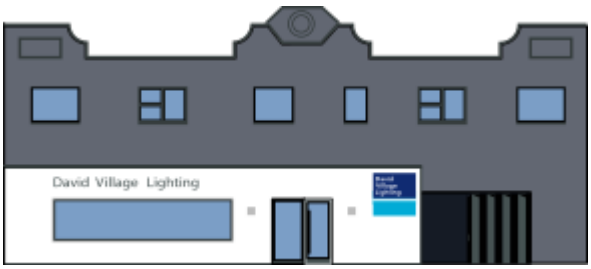

The Artemide Alphabet of Light Circular Suspension is comprised of a ring of white methacrylate that encapsulates the inner LED lighting technology. The purpose of the Alphabet of Light is to allow the user to create their own formations, in the form of geometric shapes, while providing innovative and comfortable illumination.

Perfect for both residential and commercial settings, the Artemide Alphabet of Light Circular Suspension is available in two sizes (90cm or 155cm), both of which can be installed on their own or combined together. The Artemide Alphabet of Light Circular can also be accompanied by the **Linear version** to create a more eye-catching configuration.
