PRODUCT DESCRIPTION

Designer: Alberto Nason, Michele De Lucchi

Artemide Net Line 125 Suspension App compatible

A design by Alberto Nason and Michelle De Lucchi, the Net Line 125 suspension has an organic form and a refreshing feel. Some say it reminds them of ever-growing vines and others the shape of snowflakes. Whatever the LED Net lights remind you, their LED modules will brighten up any space. Each element can be combined with other LED Net lights and you create your own combinations to form an astonishing effect. Suitable for both residential and commercial spaces, the LED Net light are also available in a [Line](#) and a [Circle](#) ceiling light version.

This product is Artemide App enabled. The intuitive and user-friendly Artemide App can be used to control individual lights or groups of lights either in the home or in a commercial setting. Simply download the App to your mobile or tablet device and control your Artemide App-enabled light via Bluetooth connection. One feature which Artemide App allows you to adjust the colour temperature and dimming settings of your Artemide light. Further information about the App and its other features can be found [here](#).
