New Works Lantern Table Lamp

Designed by Anderssen & Voll, the Lantern Table Lamp is available in two sizes and boasts a similar structure to the Floor Lamp. A classic design, inspired by the Chinese rise paper lanterns the New Works Lantern is made of frosted opal glass but still replicates that weightless glow of the traditional lanterns. Lantern combines the old and the new, utilising a classic design with modern materials, the textured glass shade emits a diffused illumination, perfect for spaces of relaxation.

The New Works Lantern Table Lamp is a beautiful addition to your bedroom, living room, reading nook or even kitchen. It can also be utilised in larger spaces in the commercial sector such as bars, restaurants, hotels and shop counters.
