PRODUCT DESCRIPTION

Light Attack Solina LED Wall Light

A minimal and adjustable design, the Solina LED Wall Light can be rotated by 360º. The structure is made of aluminium and is available in two finishes, black and white. The Light Attack Solina Spotlight is ideal for spaces in need of frontal and downlighting, adding a deco-tech touch to its surroundings.

The Solina Spotlight stands beautifully on its own but is also ideal for multiple installations. A minimalistic yet functional addition to kitchens, bedrooms, hallways and living areas. Similarly, this lighting solution can be used in commercial environments such as hotels, restaurants and offices.

Please Note: this wall light is fitted with an integrated driver so it can be wired straight into the mains.
