PRODUCT DESCRIPTION

Tom Dixon Opal Arc LED Floor Light

A dramatically cantilevered floor lamp to join the new Tom Dixon Opal collection, with an oversized conical floor base. The opal shade is made from a unique material: opalescent polycarbonate which was developed with Tom Dixon's German engineering partners. For a minimalist aesthetic, Tom Dixon has changed the traditional bulb to the latest LED light source. An opal finish creates a comforting ambience.

This unique material is shatterproof, making it almost indestructible.

Tom Dixon's opal collection features their new Integrated LED technology is repairable once the life span of 50,000 hours has been reached.

Complete with 250cm of black cable with a footswitch.
