PRODUCT DESCRIPTION

Orsjo Belysning Decostick Suspension Light

The Decostick suspension light was designed when JV Arkitekter took over the renovation of Hotel Riviera in Sweden. The lamp was specifically made to be placed in the restaurant and lobby of the hotel. The inspiration of this light originates from the ornaments covering the ceiling of the restaurant.
It is comprised by 2 glass bulbs and a small spot light while the separate switches allow you to change the luminosity between the glass bulbs and the spotlight.
