Davide Groppi Mira LED Wall Light

The Davide Groppi Mira LED Wall Light was designed by Omar Carraglia in 2012. Mira is a minimalistic wall light with an adjustable arm that can be moved to your desired position. The easy-to-use directional light makes for a perfect reading lamp at a bedside or in other spaces in need of direct light. Add a modern element to any décor with this compact Mira Wall Light, which also provides bright and clear illumination to enhance any environment.

Whether the light is needed for a residential or commercial establishment, the Mira LED Wall Light is a masterpiece of form and function, blending style and practicality to offer a truly versatile lighting solution for any space. The minimalistic design is a testament to the careful attention to detail and commitment to quality that went into its creation.
