Astro Minima IP65 Recessed Light

Astro Minima IP65 Recessed Light is a simple ceiling downlight for bathroom and interior use. It has a compact, round form and sits neatly in the ceiling after plastering.
Minima IP65 is made from aluminium with a sandblasted glass diffuser, and it is available in Matt White or Matt Black.

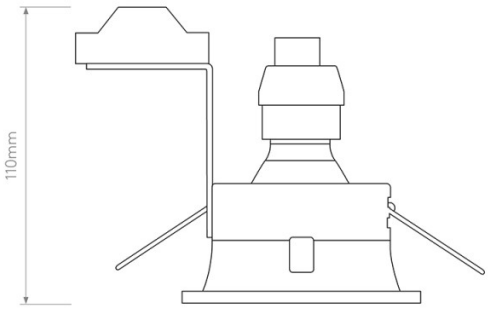

Rated IP65, it can be used in bathroom zones 1, 2, and 3, making it suitable for shower rooms, en-suites, and other bathroom settings.

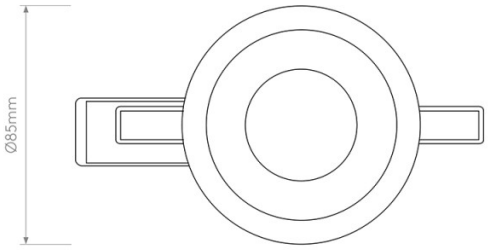

Minima IP65 uses one GU10 lamp, sold separately, and can be dimmed when used with a compatible dimmable bulb. It is wired in, Class II double insulated, and does not require a driver. This fitting is not suitable for covering with thermal insulation or mounting on flammable materials.

Best suited to bathrooms, shower rooms, en-suites, cloakrooms, kitchens, hallways, and discreet ceiling lighting.
