PRODUCT DESCRIPTION

Designer: Eugenio Gargioni & Guillaume Albouy

Foscarini Plena MyLight LED Pendant Light

The Plena MyLight LED pendant is part of the innovative MyLight collection from Foscarini that lets you control the light using the Casambi app. Using Bluetooth via a smart device, the light can be controlled and dimmed to your specific taste and needs, being perfect for solution for lighting the home or commercial spaces.

The Plena MyLight LED pendant light is also stylish and chic, inspired by the natural aesthetic of the moon. The pendant has an integrated LED light source which sits unseen in the thin arch that sits below the gorgeous curved upper disc. The light reflects off the disc as well as providing a downward light that is wonderful for lighting up the space and for putting over surfaces and tables. Use in bedrooms, living spaces, kitchens, dining areas and more to add a touch of classic beauty to your interior.
