Ferm Living Arum Floor Lamp

Inspired by the Arum plant, the Arum Floor Lamp features an asymmetrical shade that hangs from a slender metal stem and marble base. The curved shade is adjustable, allowing you to direct light where required. The underside of the petal-shaped shade is painted white to distribute light evenly. This makes the Arum an ideal lighting solution for adding ambient lighting and a cosy atmosphere to rooms such as a living room. The direct, functional light is perfect for task lighting, used as a reading light beside a sofa or next to a desk in an office.

The Arum Floor Lamp is available in a cashmere finish with a solid travertine base or a black finish with a solid black marble base. The muted tones paired with the curved, uncluttered silhouette give the floor light an elegant and contemporary aesthetic, well-suited to minimalistic decors. To create a consistent theme throughout your home, display the Arum Floor Lamp with other pieces from the **Arum Collection.**
