PRODUCT DESCRIPTION

Designer: Front

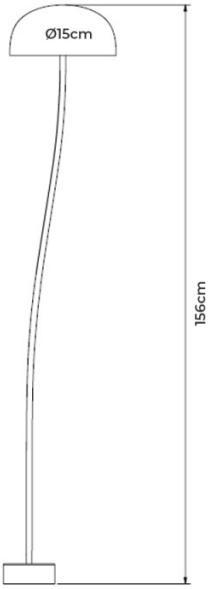

Zero Curve LED Floor Lamp

A striking piece from the Zero Curve collection, the Curve LED Floor Lamp by Front is an artistic blend of movement and function. Inspired by nature and the gentle curves of mushrooms, this sculptural lamp brings a sense of fluidity into any space. The gracefully curved metal stem gives the illusion of motion, creating an eye-catching statement piece for modern interiors.

Perfect as a reading light or ambient floor lamp, the Curve Floor Lamp is available in a handblown glass shade. The integrated 8W LED module provides soft, directional lighting, making it ideal for living rooms, office spaces, or lounge areas. The handcrafted glass shades may have slight variations in thickness, adding to the unique character of each piece.
