PRODUCT DESCRIPTION

Designer: Paolo Lucidi & Luca Pevere

Foscarini Aplomb Large LED MyLight Pendant Light

Foscarini now presents the Aplomb MyLight Large Pendant which is dimmable via the Casambi app. The app gives you the flexibility and freedom to control your Aplomb pendant light from wherever you are, through the app. The integrated LED light source also makes it energy-saving and eco-conscious and provides an effective glare-free downlight.

An expansion of the Foscarini Aplomb Collection the Aplomb Large LED pendant lamp again retains its raw feel with its concrete finish. The larger Aplomb can be used singularly or as part of a series, much like the original Aplomb pendant, but is useful in larger spaces. The Aplomb Large LED pendant light comes with a clear electrical cable and a black canopy for the brown and grey version and white for the white version.
