PRODUCT DESCRIPTION

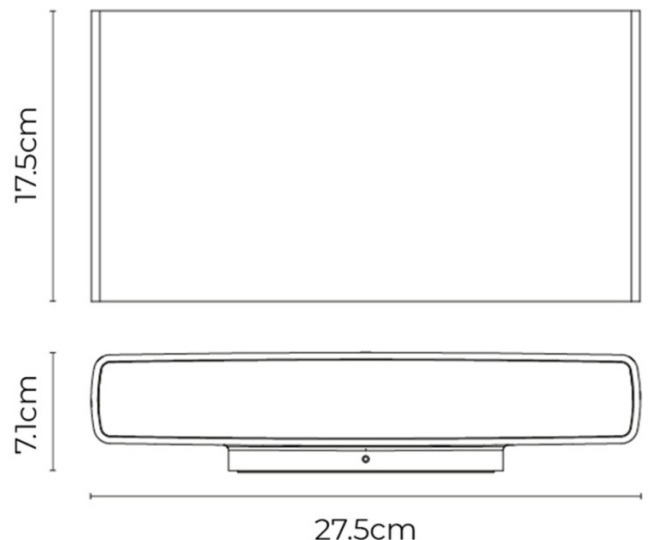

Designer: Piero Lissoni

Flos Climber 275 Up & Down LED Wall Light

The largest light in the [Climber Collection](#) by designer Piero Lissoni for Flos, the Climber 275 Up & Down Wall Light has a dual light source to provide both upward and downward lighting in a choice of three different colour temperatures. You can choose between warmest white (2700K), warm white (3000K) and cool white (4000K).

The Flos Climber Wall Light also allows you even more customisation by offering you the choice of 6 colours (forest green, deep brown, white, black, anthracite and grey) for the 275 Up & Down Wall Lamp, as well as two different beam angles (16° or 72°). The 16° version of the Climber 275 acts as a more directed spot light, whereas the 72° offers a more general flood light. Perfect for your garden, by a staircase or anywhere around the house.
