Flos Camouflage LED 240 Outdoor Wall Light

A larger version of the **Flos Camouflage 140 Ceiling/Wall Light**, the Camouflage 240 LED Wall Light was designed by Piero Lissoni and can be used in both indoor and outdoor environments thanks to the IP65 rating. What makes this wall lamp unique is the variety in colours and finishes, with each colour finish made with an entirely different process, thus making the Camouflage wall lamp adaptable to any environment and decor.

The Flo Camouflage 240 Outdoor Wall Light is a sleek addition to residential and commercial spaces, providing atmospheric indirect illumination. This luminaire can adapt to a range of settings and is an excellent way to illuminate gardens, patios and walkways as well as al fresco dining areas in the hospitality industry or patios in bars.
