PRODUCT DESCRIPTION

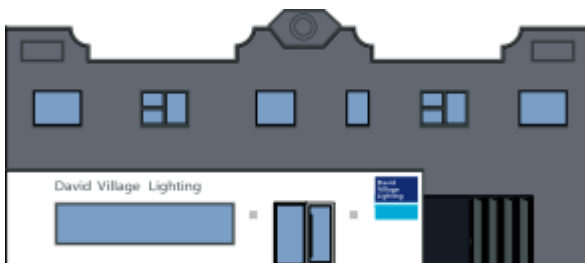

Diesel With Foscarini Wrecking Ball Pendant

Out with old, in with the new takes a whole new meaning. The Wrecking ball pendant clearly resembling the ones hanging from construction cranes during demolitions. The pendant is made of a metalised ball diffuser, in either warm metal or copper bluish. The metal finish makes it look heavy and strong within the room. It projects the perfect ambient for any room, ideally when installed above a kitchen counter or a dining room table. Please note that each Wrecking Ball pendant is sold separately.

Light source included.
