Ferm Living Mirage Cushion

The Mirage Cushions were designed by Ferm Living's team of in-house designers. Inspired by nature, each cushion showcases the atmosphere of a desert paradise with beautiful forms and abstract shapes representing objects found in an oasis. These patterns and geometric forms are embroidered onto a 100% cotton canvas, a luxurious element to the collection.

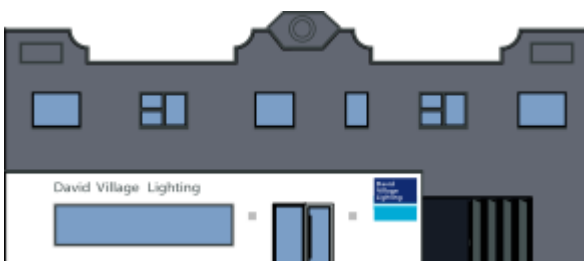

The deep and contemporary colours showcased in the Mirage cushions are suited to a wide range of interiors. Display in pairs on a sofa or bed to add a splash of colour to the room. In commercial settings, display the Mirage cushions in a café for a casual and homely aesthetic.

Care instructions: 30°C gentle wash inside out. Zipper half-closed. Keep away from sharp objects.
