PRODUCT DESCRIPTION

Designer: Sinja Svarrer Damkjær

Le Klint Bouquet 130M1 Pendant

The Bouquet pendant design gets its inspiration from Sinja Svarrer Damkjær's experience while on a trip to Italy. There, she closely observed the flower handlers in the market, who bundled tulips together. The flower heads would hang downwards, swinging and bending to create a beautiful yet natural curve. The Bouquet 130M1 pendant is a single flower pendant light, made from pleated plastic or paper, a braided linen cord, and a small oak wood detail at the top. The oak cord adjuster at the top allows you to easily adjust the cable length. The shade is available in a plastic foil material or paper. The plastic foil is UV-resistant and fire-retardant. The paper shade will patinate over time, developing a golden hue to its white colour.

The folded shade of the Bouquet pendant diffuses light into a glare-free glow that fills the room. This ambient lighting is perfect for adding a cosy atmosphere to communal spaces such as a lounge or living room. A single pendant can be hung above a dining table for an elegant, eye-catching addition to the room. Alternatively, hang in clusters to create a dynamic display in larger spaces.
Each version within the Bouquet range is available with larger individual shades. Please contact us for details and prices for these larger shade options.

PRODUCT SPECIFICATION

Light Source:	1 x Max 10W E14 LED (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Ø20cm Height: 21cm Cable Length: 150cm
