Ferm Living Hebe Small Table Lamp

Inspired by nature, the Hebe Table Lamp was created by Ferm Living's in-house team of designers. The lamp offers freedom of expression, allowing you to choose between a range of finishes to suit your style. The ceramic base is available in an off-white finish, while the fabric shade comes in natural, sand, or curry colourways. The muted tones of the shade complement the base, adding a natural essence to the room.

The Hebe Table Lamp is well-suited to living rooms, office spaces, or by a bedside. The shade projects upward and downward lighting, perfect for reading. As light is diffused through the textile shade, it creates a warm and ambient glow that surrounds the lamp. The Hebe Lamp is also available in **medium** and **large**. Display the collection throughout your home to create a cohesive display with a personal touch.
