Ferm Living Hebe Medium Table Lamp

The Hebe Table Lamp was created by Ferm-Living's in-house team of designers, who wanted to reinvent the traditional table lamp. Inspired by nature, the Hebe was initially sculpted by hand to create the organic shape of the base. The fabric shade is available in three finishes: Natural, Sand, and Curry. These natural tones complement and elevate the expression of the lamp.

The light source is diffused through the shade into an ambient glow that adds a cosy feel to the room. Light is projected both upward and downward to create a functional task light, perfect for an office desk or reading nook. The Hebe Table Lamp adds a natural touch to any interior and is well-suited to classic interiors with vintage décor. Display the **Hebe Collection** throughout your home to create a consistent theme that exudes personality.
