Ferm Living Hebe Large Table/Floor Lamp

The Hebe Lamp was created by Ferm Living's in-house design team. Inspired by nature, the base was initially sculpted by hand. The base is made from ceramic and is available in a dark grey or off-white finish. These muted tones complement the lamp's organic form, adding an essence of nature to the design. The textile shade is available in three soft colourways: sand, natural, and curry, which elevate the expression of the Hebe Lamp.

The large size of the Hebe Lamp allows it to be used as either a table or floor lamp. Its gentle, diffused light creates a cosy and welcoming ambience, perfect for lounge areas or a dining room. The Hebe Lamp is also available in a **small** or **medium** size. Display the collection throughout your home to create a unifying theme and a sense of balance. Its unusual profile and natural aesthetic suit classic interiors with chunky, wooden furnishings.
